1965 Ford Mustang GT

Owned by Cheryl and Mark Oravetz

Two years ago this last Memorial Day my wife Cheryl, grand daughter Cayla, and I headed up to Georgie Porgie's to check out the car show and eat some ice cream. As usual, my wife wandered over to a first generation Mustang. She has always loved these cars. While she was looking at one, I spotted the Mustang for sale that we ended up making a deal on. I asked the owner about the car (was it 14,000 on the odometer or actually 140,000) but the dial was not off alignment? What was the engine since the GT badge was on the car? He stated that someone might have replaced the original motor with a 351 Windsor. He stated that he was the third owner and did not know much about the car's history. We purchased the car that next Tuesday and picked it up at his home on Thursday. Before we left, he asked if I would help him get the boxes of papers out of his basement that went with the car. Long story short when we got home that weekend I went thru the documents. It was originally ordered with that motor and the 14,000 was the actual miles. The former owner never looked at the papers. Calling on a friend of mine that lives and breathes Mustangs, he stated that only in 1965 and 66 did Ford allow the 351W to be installed in the Mustangs and they all carry the GT badge as the motor was the same that Ford was sending to Carrol Shelby for the Cobras. He believed that only around 150 cars were ordered with that engine in both years. The car now has 16,000 miles on it as my wife enjoys taking it to work on nice days.

Waukesha Old Car Club Membership Meeting July 10, 2017

The meeting was called to order with 39 members present. The meeting began with the Pledge of Allegiance.

Officers and Board members were introduced.

President's Report: Jerry Kawatski reviewed the list of jobs for the August 13th Car Show at Frame Park. This is the last meeting before the show. He emphasized that there is a need for additional help with parking in the morning and help with the food tent throughout the day, especially during the lunch hour. There is a need for someone to help with trash pickup and recycling. Members are reminded to wear their RED WORKER shirts to identify you as a club member. This will allow you to get complimentary food and beverage items at the food tent.

Vice President's Report: Steve Heinemann said that he has hard copies of current and past *Spark and Sputters* available along with hard copies of the *2017 Club Roster*. He is sending out emails on club activities. If you are not receiving his emails you should contact him to get that corrected. Steve said that there were 4 club members who participated in the Waukesha July 4 parade, also several members from the Model A Ford Club joined our group.

Treasurer's Report: Jim Young did not have a treasurer's report.

Secretary's Report: Mel Stark read the minutes from the May meeting, the minutes were approved as read.

Committee Reports

Sunshine Committee: Had nothing to report

Iola Car Show and Swap Meet: Sarah Ksicinski reported that they had 12-13 member attend the Friday night cookout. The weather during the day was pleasant but just as we were about to eat the wind and rain came and blew down the tent. Everyone survived unscathed, but the tent suffered minor damage. Once the rain, hail and wind stopped we enjoyed our cookout. Thanks to Sarah and Robin for providing us a great meal.

Car Show Tee Shirts: Mark Orevetz was not at the meeting however a sample of the 2017 Car Show shirt was displayed. Show participants who preregister receive a free shirt. Participants who register day of show do not. Club member may purchase a Car show shirt at Car Show Central

Important Member information regarding the August 13 2017 Car Show

Set up for the show begins at 6:30 AM

Car Show Central is located in the shirt tent next to the registration tent and is staffed by Mark Oravetz and his crew. Direct anyone who has questions or needs assistance to Car Show Central.

If you need a work assignment or have finished your work shift, go to Car Show Central to record your hours worked. This is important as it affects your dues payment in January.

All workers should wear your red club work shirt. The red shirt identifies you as a WOCC member and is your meal ticket at the food tent. New members, your first red work tee shirt is free. Additional shirts can be purchased at Car Show Central tent for \$9.00.

Club members who work at the car show may purchase a car show tee shirts for \$9.00 each.

Members who bring their show car are asked to park on the asphalt.

Club members and band members must park their non-show vehicles in Fracaros Bowl parking lot or Waukesha Early Learning Center lot on west side of building.

Parking in the playground area of Frame Park is reserved for Handicapped parking. We attempt to keep a few spaces open for the public who wish to use the playground area of Frame Park.

The parking crew needs extra help in the morning when the show gates first open to direct cars into the correct areas. Otherwise people will attempt to park anywhere and waste parking spaces.

Food preparation begins approximately at approximately 9:30.

Give someone a break; ask if you can help especially the food tent workers and cooks between the hours of 1:30 and 4:00.

Pick up your yellow car show signs at the July meeting. Please put the signs out August 5 (the Tuesday before the show). Pick up the signs after the show no later than August 11 (the Monday after the show).

After the show, when all the work is done the workers are invited to Fox Run Lanes for a pizza party.
