Waukesha Old Car Club Meeting At Murf's June 13, 2016

Waukesha Old Car Club Regular Meeting May 9, 2016

The meeting was called to order, the meeting was started with the Pledge of Allegiance. Officers and Board members were introduced.

President's Report: Jerry Kawatski introduced two new members who were at the meeting. He went on to say that he has new Car Show yard signs available. If you need some, take them with you. Remember, put them out one week prior to the show and pick them up after the show. If you don't pick them up the City will collect them and they will be gone. Be courteous where you place them. The city does not want them in medians or intersections. He then went through the list of responsibilities for the car show. If he does not hear otherwise, he will assume that you will be able to do the same job as last year.

Vice President's Report: Steve Heinemann said that he expects Moreland Blvd. to be closed for the Car Show. Show cars can enter from the East via Main Street and the West via Barstow to Main. He has posted this information on Craigslist. Steve displayed a picture of the graphics that will be on this year's car show shirt.

Treasurer's Report: Jim Young gave a treasurer's report summary for the months of January thru May. If you need more details you can contact Jim.

Secretary's Report: Mel Stark read the minutes from the May meeting. There were no minutes for May as the meeting was at Murf's. The minutes were approved as read.

Committee Reports

Sunshine Committee: Judy Sodemann had no report.

Fire Truck: Tom Garibaldi spoke to the members about the conversations he has been having with the Waukesha Fire Department regarding the Club firetruck. In recent issues of the *Spark and Sputter* there have been articles regarding the history of the truck with the city. There is now a group of current and retired Waukesha Fire Fighters who are working to document and display the history of the department. The display will be kept at the fire station on Pearl Street and possibly moved to the fire station on the 59 bypass and county X when it is built. They currently have firetruck #2 and would like to have the WOCC truck which is firetruck #3. The agreement he has is, the Club will donate the truck to the group with the understanding that if the display is dissolved the truck would be returned to the club. The group also agreed to try to bring the truck to club functions at our request. After a brief question and answer session a vote was taken to donate the truck. The vote to donate passed with unanimous approval. A suggestion was made that the formal donation of the truck take place at the car show. Tom will look into that.

Iola Swap Meet: The swap meet was rather quiet this year.

Frame Park Show: Flyers are still available. Pick up some flyers at the meeting to hand out at the car shows and cruise nights that you attend. Members are asked to park non-show cars in the school lot on the south end of the park off Baxter Street or at Fracaro's Lanes. If you wish to bring your show car you are asked to pre-register. The NSRA people will be performing safety inspections during the day. El Rey will perform starting at noon.

**Fox Run Lanes will be hosting a Cruise Night every Wednesday Night from 3 to 9pm.
Food and Drinks will be available in the bar.**
