Spark and Sputter

The club newsletter, *Spark and Sputter*, is published 6 times per year on the even numbered months. The deadline for articles and pictures for the newsletter is 2 weeks prior to the newsletter being published. Send items to be published in the newsletter to Bob Merner at romer512@gmail.com

1953 Buick

Super, Convertible

Owned by Jim Young

I purchased this car in 2003. It was selected as a Hot Rod magazine project. It was modified by Tri-C Engineering in California and was featured in the April 2004 issue of Hot Rod magazine. After I received the car home, it was taken to (Tom Punko) TP's Paint and Body in Menomonee Falls to be have the modifications tweaked to make the car road worthy. Of the 6701 Buick Super convertibles produced in 1953 mine is one of the only 10 that are listed in the roster of the Buick Club of America. Unlike other vintage cars such a Chevrolets and Fords, it is unlikely that you will see another 1953 Buick Super Convertible on the street or at a show. The car is painted Aztec Cream with a Royal Blue interior and top. It has a Buick 455 GS engine with Rochester 4 barrel carburetor, a Turbo 400 transmission and a Currie 9-inch rear end. It has power disc brakes in front and drums in the rear. Power windows, seats and top.

Annual June Club Meeting

Waukesha Old Car Club Membership Meeting July 9, 2018

The meeting was called to order with 36 members present. The meeting began with the Pledge of Allegiance.

Officers and Board members were introduced. There were no new members or guests.

President's Report: Ron Herman talked about the Frame Park Car Show on August 12. There was a discussion regarding show cars entering the park due to all the construction on Main Street. It was decided that we need more signage and members directing traffic to help cars get to the park. It was decided that cars will be allowed to enter at 6:15 instead of the normal 7:00am. This should eliminate some of the congestion on Baxter Street.

Vice President's Report: Steve Heinemann said that Sarah Ksicinski has been updating our Facebook site and members should check it out. Steve said that he has received many requests for the car show registration form from the website and Facebook page. Steve reported on the Waukesha July 4th parade. He said that there were 4 club cars plus several from the Model A club.

Treasurer's Report: Jim Young gave a treasurer's report for May and June. The treasurer's report was accepted as presented

Secretary's Report: Mel Stark read the minutes from the May meeting. The minutes were approved as read.

Committee Reports

Sunshine Committee: had nothing to report. Steve Heinemann said that John Sadler had a medical issue and was taken to the hospital. He was checked out, everything appeared normal so they released him

Jefferson Swap Meet: The Fall Jefferson Swap Meet and Car Show will be September 28-30 at the Jefferson County Fair Grounds. If you plan on selling under the club tent see Len Litt for your pass.

Iola Swap Meet: The club rents spaces in the campground. The Ksicinski family will host a Friday night cookout.

Frame Park Car Show Victor Perugini addressed the members regarding his wine tent. He has found a new supplier for the wine this year. It was discussed that we need more tents. It was determined that we have tents that have not been used. Jim Young said that if additional tents are required he will purchase more.

September 9, 2018
Pewaukee-Nettesheim Park,
N26 Prospect Ave (Hwy SS)
(same place as last year)

Starts approximately 9:30 am with the usual, coffee, donuts and juice. Bring your treasures from your garage, basement, attic. Everything gets auctioned off and the proceeds go to charity.

Bring a dish to pass, using your favorite recipe or something you just wanted to try. The club provides the meat, condiments, plates, and the rest of the essentials. As usual, we eat at about noon, and the auction will start after everyone has eaten or approximately 1 o'clock. Of course, the fuel for the party, beer, soda and water will be there also. Any questions please call Tom Garibaldi @ 262-547-5212.

A pleasant evening made it convenient for the residents to come out to enjoy the music and the cars

Important Member Information regarding the August 12, 2018 Car Show

Set up for the show begins at 6:00 AM

Due to construction around the park, this year we're going to let Show Cars into the park at 6:15 AM

Car Show Central is located in the shirt tent next to the registration tent and is staffed by Mark Oravetz and his crew. Direct anyone who has questions or needs assistance to Car Show Central.

If you need a work assignment or have finished your work shift, go to Car Show Central to record your hours worked. This is important as it affects your dues payment in January.

All workers should wear their **RED** club work shirt. The **RED** shirt identifies you as a WOCC member and is your meal ticket at the food tent. New members, your first red work tee shirt is free. Additional shirts can be purchased at Car Show Central tent for \$10.00.

Club members who work at the car show may purchase a car show tee shirt for \$10.00 each.

Club members, please park your non-show vehicles in the Waukesha Early Learning Center (corner of White Rock Ave & Baxter) parking lot on west side of building.

Parking in the playground area of Frame Park is reserved for Handicapped parking. We attempt to keep a few spaces open for the public who wish to use the playground area of Frame Park.

The parking crew needs extra help in the morning when the show gates first open to direct cars into the correct areas. Otherwise people will attempt to park anywhere and waste parking spaces.

Food preparation begins approximately at approximately 9:30.

Give someone a break; ask if you can help especially the food tent workers and cooks between the hours of 1:30 and 4:00.

Pick up your yellow car show signs at the July meeting. If you have signs, please put the signs out the Tuesday before the show. Pick up the signs on the Monday after the show. The city will trash any left they find after Monday.

After the show, when all the work is done the car show workers are invited to Foxx View Lanes for a pizza party which will start about 5:30 pm.
