## FEATURE CAR

### 1965 Ford Fairlane 500

### Karl and Karen Moering

Our life with our 1965 Ford Fairlane 500 began at the Iola Car Show in July 1997. My wife, Karen, and I saw the car and made an offer for the car but it was not accepted.

Saturday we stayed over night in Waupaca. On Sunday we went back to Iola to finish looking around at what was left. At about 3:30pm we decided to leave for home.

One problem, we drove past the car corral and guess what? There in the corral sat the Fairlane still looking for a buyer. We stopped and made the deal for what we had originally offered. We have no regrets.

The Ford Fairlane 500 was all original with 49,137 original miles. It is a 2 door hardtop, with a 200 C.I.D engine, automatic transmission, no power steering, no power brakes, no air conditioning and no radio. When you open the hood you see the ground. What could go wrong?

The only changes we made were to install a radio with CD player, teardrop spotlights, different wheel covers, radial tires and a original color repaint.

We use the car for cruising, going to car shows and to church.

Hope to see you on the road

*Thanks, Karl and Karen*

# ***Waukesha Old Car Club Meeting Highlights***

## ***February 14, 2022***

The meeting was called to order by President Ron Herman at 7:31pm with 20 members present.

The meeting began with the Pledge of Allegiance.

There was an introduction of the Officers and Board Members

Ron introduced our guest speaker, Maggie Bringa representing State Farm Insurance. Maggie is also a member of the car club.

Maggie talked to the members regarding having adequate insurance coverage. A couple of highlights from her talk were that the car insurance goes with the car not the driver. Therefore if you loan your vehicle to someone and they have an accident it goes against your insurance not theirs. Also, if you have any high value items they should be listed on your insurance policy to insure that they are covered in case of a loss. She offered to meet with any member to review their coverage.

### **Presidents Report:**

Ron began by highlighting what was discussed at the Board Meeting.

- The Appreciation Banquet is scheduled for March 27, 2022. As of this meeting there are only 22 members who have signed up. The deadline for signing up is March 18. If the minimum is not met the banquet will be canceled.
