FEATURE CAR

2014 Ford Mustang

Brent Smith

Our 2014 Ford Mustang was purchased in 2016 by my father with only 16,000 miles. The car has never seen snow and was always stored away. This car was my father's pride and joy.

I took possession of the car in May of 2021 when my father passed, and now the car means the world to me. The car now has 44,000 miles.

Thanks, Brent

Waukesha Old Car Club Meeting Highlights

April 11, 2022

The meeting was called to order by President Ron Herman at 7:35pm with 25 members present.

The meeting began with the Pledge of Allegiance.

There was an introduction of the Officers and Board Members

There were no new members or guests.

Presidents Report:

Ron shared with the members what was discussed at the Board Meeting.

- The board discussed having membership applications at the car show registration table. The board felt it was a good idea and will look into the cost of printing.
- Ron contacted Buddy's on Sunset regarding having the June meeting there. They are happy to have us. They are currently short staff but will bring staff from another location to assist. Due to inflation they will be changing their menu within the next couple of weeks. With that in mind the board discussed increasing the value of the tickets that are given to members. More information will be provided at the May meeting.
- Steve sent out an email with the list of work assignments for the car show. If we don't hear differently we will assume that you will be doing the same job as last year.
- We will be getting additional signage for the car show especially for Baxter Street to prevent the public from coming down and creating a problem with the show cars trying to enter.
- The feature car for the car show will be Sara Treleven's 1969 Volkswagen Van. The van will also be featured on the car show T-shirt.
- This year the number of classes at the car show increased to 21. There will only be one winner per class.
- The club will be publishing a new roster. We will be including members email along with their name, address and phone number. If you do not want your email published, contact Steve Heinemann. We will also be dropping the listing of member cars as the club is not being notified when cars are being added or removed.
- The club trailer needs to be inspected and cleaned.

Vice Presidents Report:

- There are hardcopies of current and past *Spark and Sputters* at the front table.

Secretary's Report:

- Ron had no secretary's report. You can check the meeting highlights in the *Spark and Sputter*.

Treasurer's Report:

- In the absence of the treasurer Ron gave a summary of income and expenses for the months of March and April.

Continued on page 5

Sunshine Committee:

- There was nothing to report.

Old Business:

- The Appreciation Banquet at Tuscan Hall went well. 51 people attended. There were a lot of good comments. Everyone enjoyed the food and thanks to Victor for getting the cake. The only complaints were regarding the stairs to enter. The club will consider using the facility again for next year.
- We are always looking for members cars to be featured in the *Spark and Sutter*. If you would like to see your car featured contact Bob Merner
- The Club is still looking for someone to fill the position of Secretary.
- The club is always looking for suggestions for speakers. If you have any ideas contact Ron or Steve.
- Check out Waukesha Old Car Club on Facebook.

New Business:

- If you have any suggestions for My Garage events or speakers contact Ron.
- Jerry Congemi needs more help at the gate on Baxter Street. It is a job that would require you to be on your feet from 6am till noon, and be comfortable handling money. If you need additional information or can help contact Jerry.
- The Board needs to discuss the cost of food for the car show. With prices changing rapidly we need to wait until we can get a firm cost from the supplier before we can set our prices.
- For information on upcoming car shows related events, check out

***The club roster will now include member's email.
The listing of member vehicles has been eliminated.***

***A list of the job that members did in past car shows has been
sent out to all members. If you are unable to do the job that
you did in the past, contact Steve at

May 9, 2022

The meeting was called to order by President, Ron Herman.

The meeting began with the Pledge of Allegiance.

There was an introduction of the Officers and Board Members

Presidents Report:

Ron reviewed with the members what was discussed at the Board Meeting.

- This year's car show will have 21 classes of vehicles. The classes were created by Wes Sodemann based on number of vehicles registered in past years. There will only be one winner per class (Best in Class). There will also be an award for the Car Show Feature Car.
- The June meeting will take place at Buddy's Burgers and Custard. They are located on Sunset Dr. and West Ave. They have informed us that due to rising costs they were forced to rise their prices. The board is considering increasing the value of the ticket given to members. More information will be coming.
- Our food vendors for the car show have indicated that food costs have gone up roughly 20%. Can not get a firm price until closer to the car show date. Our prices for food will need to be raised accordingly.
- The band for the car show has been secured.
- We are looking for someone to put out the road signs and barricades on the morning of the show. Must have a pickup or equivalent.
- There is no pre-registration for the show, and T-shirts will be sold at the Car Show Central tent only.
